### The Lighter Side !

Mrs. Murphy, the school teacher was talking to her first class about whales when a little Nancy had a question. Nancy: "Teacher, do whales swallow people?" "No, replied the teacher, even though they are much bigger than a person, they have throat pleats that filter their food of krill and plankton. But Mr. Thompson said that Jonah in the Bible was swallowed by a whale. Mrs. Murphy continues.... "Blue whales cannot swallow people Nancy."

"Well, when I get to heaven I'll just ask Jonah if he was really swallowed by a whale." Mrs Murphy getting a little bit annoyed now says..."But what if Jonah went to hell?" Then says Nancy "you can ask him."

**Adoration of the Blessed Sacrament** followed by **Benediction** takes place every Saturday after Mass from 10.30am until 12 Noon. Please come in and pray for a while.
