" On behalf of my family I would just like to sincerely thank all the kind people of Sruleen for their expressions of sympathy and prayerful support at the time of our dear Mother's return to her Lord and Saviour. Thanks to all who travelled west for the funeral, those who had Mass offered for Mam, those who made contact by card, letters, phone, text or e-mail and all of you who continue to keep us in your prayers. Without such support the last few weeks would have been so much more difficult, and we value and appreciate all your thoughtfulness. Since it would be impossible to acknowledge each and everyone personally, please accept these lines as a token of our sincere gratitude and appreciation.
The Holy Sacrifice of the Mass will be offered for your intentions.
Fr Michael

Volunteers Needed

The Irish Cancer Society's Care to Drive service is currently seeking volunteer drivers to drive local patients to and from their hospital chemotherapy treatments in Dublin. We are looking for volunteers to pick a patient up at their home, drive them to the door of the hospital, then when they have finished treatment, to pick them up again and bring them home again.
 The service is free to the patient and all drivers expenses are paid.
Telephone the Irish Cancer Society on (01) 2310566 or (01) 2316 642 or email transport@irishcancer.ie

A sincere **thank you** to all who supported me through words of comfort during this sad time for me and my family, for all the Masses said and for all the many kindnesses shown.
 Thank you all. **Sr. Philomena**

A member of the **Divine Word Missionary Order** will join us for the week-end of 25/26th October, to share with us about their order and their Missionary work throughout the world.

The Lighter Side !

A big game hunter went on a safari with his wife and mother-in-law. One morning, while still deep in the jungle, the hunter's wife awakened to find her mother gone. She woke her husband, and they both set off in search of the old woman. In a clearing not far from the camp, they came upon a chilling sight. The mother-in-law was standing face-to-face with a lion. "What are we going to do?" his horrified wife asked. "Nothing," her husband replied, "The lion got himself into this mess, let him get himself out of it."
