A big thank-you to Natalie and our hard working Parish Pastoral Council for organizing and running our "Social Justice Week" last week that was a big success and will have such good effects both locally, and internationally.

The St Vincent De Paul Society will be distributing bags next week-end 22nd/23rd March for their annual good quality clothing appeal. The bags will be collected the following week-end 29th/30th March.

The SHFC continues next Friday 21st in the Parish Centre (7.30 p.m.) with the multiple Oscar winning movie "The Life of Pi." A young man who survives a disaster at sea is hurtled into an epic journey of adventure and discovery.

Vouchers offering breaks "Two nights for the price of one" at various listed hotels are available at the back of the Church on a first come first served basis. Must be used by the end of April.

Things my mother taught me!

Logic: Because I said so, that's why.

Religion: You better pray that comes out of the carpet.

Anticipation: Just wait until I get you home.

Stamina: You'll sit there until all that cabbage is gone.

THE POSITIVE SIDE OF LIFE !

Living on earth is expensive, but it does include a free trip around the sun every year.

How long a minute is, depends on which side of the bathroom door you're on.

Happiness often comes through the door you didn't even know you left open.

People who arrive late are often jollier than those who have to wait for them.

If Dunne Stores are lowering prices everyday how come nothing is free yet?

Don't cry because it's over, smile because it happened.

A truly happen person is the one who can enjoy the scenery on a detour.

Some mistakes are too much fun to only make once.
